KAPTAN · CREW UNIFORM · WINTER 2026

Winter Crew Kit

Six layers for long, cold market days. All black, one gold mark per piece, the full statement on the back. Warm enough for an outdoor stall, clean enough to stand behind leather and salt lamps.

KAPTAN

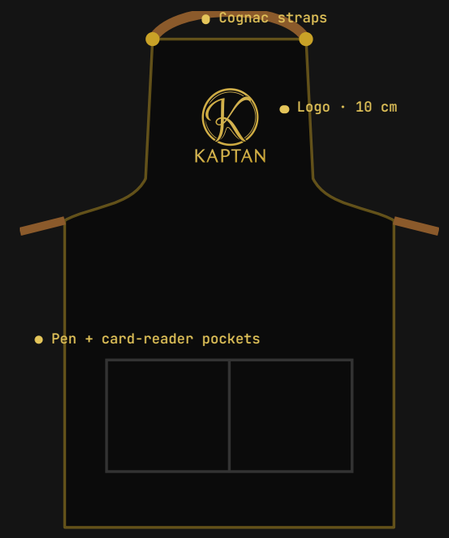

SOFTSHELL JACKET · FRONT

Hooded, wind- and water-repellent, fleece-lined. Gold-tone zip pull. Embroidered logo on the left chest.

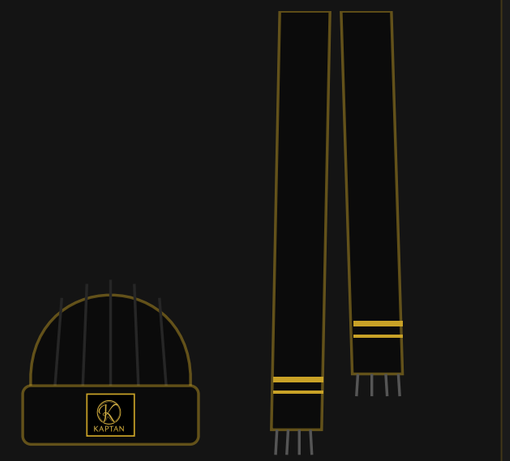

SOFTSHELL JACKET · BACK

Reflective-gold transfer or embroidery. "Frag mich · Ask me" tells guests who can help.

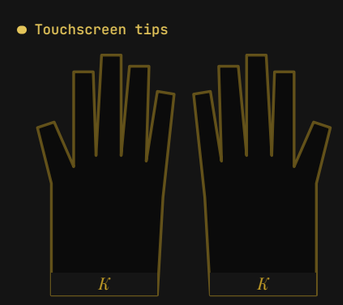

BIB APRON

Heavy black canvas, cognac leather-look neck and waist straps, gold-tone rivets. Worn over the jacket at the stall.

BEANIE & SCARF

Rib-knit beanie with woven logo label on the cuff. Black knit scarf, two gold stripes at each end.

Magnetic name badge · 76 × 30 mm print area

GLOVES & NAME BADGE

Knit gloves with touchscreen fingertips (so card payments and the scanner still work) and a small gold K on the cuff. Magnetic badge, first name only.

COLOUR & RULES

Black #000000 garments · gold #C9A227 thread / transfer (vivid #E4C55A for reflective) · cognac #8B5A2B only on apron straps · off-white #F9F6EE for badge text alternatives.

One gold mark on the front of each piece, never more. Logo always as the supplied artwork, never redrawn or recoloured. Jacket back is the only large print. Christmas option: add a small gold star patch on the right sleeve from 27.11. to 23.12.

Name badge	Black aluminium or acrylic badge with magnet (no pin holes in the jacket).	UV print or engraving, gold + white.	76 × 30 mm print area. First name only.	1 per crew member

ARTWORK

Use the 1254 px logo file only for flats and proofs. Embroidery needs a digitised file and transfers need a vector logo (SVG/PDF) from your designer. Ask for a sew-out / print proof before the run.

COLOUR MATCHING

Gold thread: closest match to #C9A227 (e.g. Madeira/Gunold metallic or matte gold, to approve on a sample). Don't use bright yellow: keep it gold.

PRACTICAL

Order one size up for the jacket so it fits over a sweater. Apron pockets sized for a phone, pen and card reader. Washing: inside out, 30 °C, no tumble dryer for transfers.
